

DITCHING MATERIAL and/or ROAD SAND ACCEPTANCE AGREEMENT

Whereas, the Hebron Highway Department has inert fill material consisting of soil from road ditching and/or sand from winter sand cleanup (said material may contain rocks, brush, roots and some roadside debris);

Whereas, (property owner and mailing address):

Street Address if disposal location:

Said parcel of land contains a site where inert fill material legally be placed. The property owner desires that the Hebron Highway Department place the inert fill material on the above-described property.

The property owner will assume full control and responsibility for placement, erosion and sediment control and final stabilization of the material.

The property owner shall be solely responsible for the following:

- Location of placement of material
- Wetland/natural resource protection near the site
- Erosion and sediment control, grading, leveling, and permanent stabilization of the material

The property owner, its successors and assigns forever hereby release and discharge the Town of Hebron and its agents from all claims, demands, regulatory enforcement actions and/or cause of actions that may arise from the deposit, presence or use by the property owner, of the ditching material and/or road sand, and agrees to indemnify and hold harmless the Town of Hebron from any such claims, demands, regulatory enforcement actions and/or cause of actions.
